Aromatherapy massage

Melt into relaxation with a calming aromatherapy massage. The properties of the aromatherapy massage oils combined with therapeutic massage have a profoundly soothing effect on the mind and body.

Signature facial treatment

An essential beauty treatment and fantastic stress reliever in one heavenly treatment. Relax as your beauty therapist tailors a facial specifically to your needs – cleansing, soothing or moisturising.

Deep tissue massage

Anyone with an active lifestyle can benefit from this massage. It helps to alleviate the tension that builds up in the body during physical activity.

Luxury manicure or pedicure

Not only will your hands and feet look pretty, but you will also feel indulged, soothed and refreshed. Think necessity; enjoy the luxury.
